

# JERSEY WAHOOS MASTERS MADNESS

## 2010-2011 Season

Creative Director: Jeff Clemens

The masters program is entering its twelfth year; this is Jeff's tenth year. There is one fee for the entire Masters season. The fee will be as follows:

**\$960.00** for non-members

**\$730.00** for members

USMS Registration Required – Please sign up online at: <http://www.usms.org/reg/> and provide Wahoos with a copy of your registration card.

This fee includes long course training at Ramblewood in the summer

Those who are interested in the group are invited to come join us for a practice to try us out. While we have room for every level of swimming ability, it seems it takes a special type of person to handle our grueling schedule.

The times and dates are as follows:

|                             |                        |
|-----------------------------|------------------------|
| Tuesday, Thursday, & Friday | 5:15am - 6:15am        |
| Sunday                      | 6:30am - 8:00am        |
| Practice begins:            | Tuesday, Sep. 14, 2010 |
| Practice ends:              | Friday, July. 29, 2011 |

This year, we are requiring a **Non-refundable** \$100 registration fee and the balance of your masters fees will be broken down into 6 payments beginning in October.

Enclosed please find a Masters registration form. This form is to be filled out and returned to Wahoos along with your \$100 registration fee or you will not be permitted to practice until it is filled out and payment is received. **You must be a member of United States Masters.** This can be done online at ( <http://www.usms.org/reg/> ). If you are already a member, a copy of your registration card is required and sent in with your registration form. If you are not a member, you must register and show a copy of your Masters registration or you will not be allowed to swim. You will receive a payment book in the mail. There will be no pro-rating of the Masters if you cannot make all of the practices. The group size will be limited because the members are special and most humans just do not have what it takes.

If you have any questions about this group, please contact Jeff Clemens.
